Dear Parents and Carers,

School Instagram Page

As you may be aware the school has an Instagram page at [rowsleycofeprimaryschool](https://www.instagram.com/rowsleycofeprimaryschool). This is a fairly new page for the school, and we have been using it only to showcase our children's wonderful work. However, we would now like to extend how we use the page, and include the children's smiling faces too! This is a really effective way, used by many other schools, of sharing what we do with parents, family members and friends, and also showing the wider public how brilliant our children are.

Images would be taken on a class iPad whilst undertaking indoor or outdoor class activities, and also at school trips and residential before being uploaded to Instagram. No names will be given.

Parent/carer consent is required to use pictures of your child/ren on Instagram, and there is no obligation for you to give consent. Consent can also be withdrawn at any time, by requesting this in writing to the school office.

Many Thanks

Shelley Middlebrook
School Business Officer
