

Young heroes

George Matus

George Matus is a drone engineer. He got his ambition from using a rc(remote control) helicopter with a camera strapped to it and downloading the footage to Youtube.

Brandon Green

Brandon Green was a member of the UK Youth Parliament (UKYP). On the 10th December 2017 he gave a speech about lowering the voting age for elections.

Boyan Slat

Boyan Slat is the founder of the ocean clean up. By the age of 18 he had come up with a way to remove plastic from the ocean.
