Dear Parents and Guardians,

We are delighted to share some wonderful news with you regarding our recent Ofsted inspection. As part of their comprehensive evaluation, Ofsted has assessed various aspects of our school's performance, and we are proud to report that our school has achieved an overall grade of **Good** and an **Outstanding** rating in Personal Development.

The Ofsted inspectors graded several areas in their inspection including:

Quality of Education:	Good
Behaviour:	Good
Personal Development:	Outstanding
Early Years:	Good
Leadership & Management:	Good

The inspectors were particularly impressed with:

- The strong relationships between staff and pupils and especially the love, care and support shown by staff.
- The behaviour and attitudes of our pupils.
- The high standards of our curriculum, particularly in Maths and Reading.
- The inclusive and supportive environment which promotes the well-being and personal development of every child.
- It was noted that our school is ambitious for all of our pupils, including pupils with SEND.

This achievement is a testament to the hard work, dedication, and passion of our entire school community – from our talented and committed staff, to our supportive parents and, most importantly, our incredible pupils. We believe that personal development is a cornerstone of a well-rounded education, and we are thrilled that our efforts in this area have been validated. We are immensely proud of our pupils' achievements and the positive, inclusive atmosphere we have cultivated together.

We will continue to strive for excellence, ensuring that every child receives the best possible education and support for their personal growth. As part of this, Ofsted has given us two suggestions on how we can improve. These are highlighted in our report and will be worked on over the coming months.

We would like to extend our heartfelt thanks to you, our parents, for your continued support and partnership. Your involvement in your child's education is invaluable, and it significantly contributes to the success of our school. Your wonderfully kind comments to inspectors were heartfelt and very much appreciated.

A copy of the full Ofsted report is available on our website and attached to this letter for your review. We encourage you to read it and share in our pride and joy.

We look forward to continuing our journey of excellence together.

Warmest regards,

The Rowsley Team
