10th March 2026

Dear Parents and Carers,

Asthma Inhalers

If an inhaler has been prescribed by a GP for use in school, we need to have an Individual Healthcare Plan for the child, which includes the following information:

- Consent form for schools to administer medication, completed by the parent/carer
- Details of triggers that can worsen your child's asthma

If your child brings an inhaler to school, or if one is kept here full-time, please complete the following information:

Child's Name _____

Type of inhaler (Salbutamol etc) _____

Asthma triggers (exercise, cold, dust etc) _____

If we do not already have a completed consent form, this will be sent home for parents/carers to complete.

Many Thanks

Shelley Middlebrook
